

Looking to inspire high-school girls?

FUTURE ENGINEERS PROGRAM

WISE is looking to partner with industry associations and companies to deliver a 2018 school holiday program in October on engineering careers in the Oil and Gas industry

AUDIENCE

WA high school girls in Years 9 - 11

DAYS

3 to 5 days
Monday to Friday
1 - 5 October

We are looking to work with partners for Program Content, a venue for hosting the program, funding to support program expenses and mentors to inspire participants.

- Exploration - Extraction - Processing - Delivery - Energy -
